For Laguna Beach living at its finest, this private modern beauty beckons you to a light and bright sanctuary of contemporary comfort and timeless design. Only steps away from Crescent Bay Beach in highly sought-after North Laguna, this extensively remodeled gated home offers panoramic coastline views for a seamless indoor/outdoor lifestyle experience. The open floor plan impresses with wood floors and walls of glass that highlight the beautifully manicured front yard. The Euro-style chef's kitchen is expertly equipped with Jenn-Air appliances, Sub-Zero refrigerator, custom cabinetry and 14-foot island replete with storage and counter seating. The home's natural flow leads to family and dining room areas, for a perfect living/entertaining atmosphere. Upstairs, the spacious master suite features a sitting/office area, luxury bath, two additional en suite bedrooms, and private deck affording spectacular ocean views. The lower level offers a den/study, guest bath and laundry room. Among numerous upgrades are beamed ceilings, built-in cabinetry, fireplace, central Fan, custom window treatments and lighting, including the dining room's elegant crystal chandelier. Outside, an all-new concrete driveway and lanai complement plentiful parking both behind and beyond the gate. Within walking distance, Laguna's many galleries, restaurants, shops, pageants, trails and legendary beaches make this Zen-like environment ideal for those who enjoy the luxuries of home and the rewards of living.
